## THE MAUSOLEUM AT HALICARNASSUS

Was a 140-foot high white marble structure.

Was built in 352BC at HALICARNASSUS

(now a site in Turkey) in memory  
of King MAUSOLUS of CARIA. Its massive  
base contained a sarcophagus and supported

36 columns crowned with a  
stepped pyramid on which was constructed  
a marble chariot. It was destroyed  
for the use of the stone to build a castle

THE KINGS CHURCH OF SAINT JOHN.

## Mausoleum at HALICARNASSUS

Rose 140 ft into air above the harbor  
of Halicarnassus (now Bodrum) about 60 mi.  
from the Cilician Gates (legend has it) was built  
around 350BC for King MAUSOLOS, the  
ruler of CARIA, by his grief-stricken  
sister-wife Artemisia. More than 100  
statues of heroes, kings and Amazon  
warriors, by the 5 greatest Greek sculptors  
of the day.

2041 in year 8-1948 for  
the following reason & you can see  
what I mean

in case you are interested in the  
matter consider the following:  
I am going to go to the  
city of New York because  
of the high cost of living there  
and the fact that it is  
not so cheap to live there  
as in other cities. I have  
been told by many people  
that the cost of living is  
higher in New York than  
in other cities.

BURRILL?

The lower govt took over mortgages  
that offered a fair chance of repayment, and  
persuaded mortgagees to accept a lower  
interest rate on others.

Usury (above 12%) was widespread
